Serving Up Local is a partnership between Durham and Halton Regions, the City of Hamilton and the Golden Horseshoe Food and Farming Alliance (GHFFA) to increase the amount of local foods offered in their facilities with a special focus on long-term care homes. We use the purchasing power of public institutions to strengthen Ontario's agricultural sector and appeal to our residents seeking local food offerings. This project is made possible with financial support from the Government of Ontario, in partnership with the Greenbelt Fund. For more information: www.foodandfarming.ca
